

1999

Volume 41

The logo for Siam Review features the word "siam" in a stylized, lowercase, outlined font. The letters are interconnected, with the 'i' and 'a' sharing a vertical stroke, and the 'm' having a unique, rounded shape. Below "siam" is the word "REVIEW" in a simple, uppercase, outlined font, with each letter separated.

1999 Editorial Board

Editor-in-Chief: Margaret H. Wright, Bell Laboratories
